The dam of this heifer is a half-sister to Highland Stamp who made an outstanding show and breeding record in this country as well as in New Zealand and Australia. A full sister to this heifer produced one of the tops in the recent Iowa State Sale and another half-sister produced Lynnwood's good summer yearling heifer as well as the sire of the reserve champion female at the Indiana State Fair. This heifer could be one of the valuable heifers to be sold this year.
